ABOUT EMAYA HOMES

Drawn to God's charm, we chose to build with meaning. Rooted in integrity and innovation, Emaya Homes offers serene, low-maintenance homes, like The Creek, a 9-villa retreat in lush, historic Moira.

MOIRA- A QUAINT VILLAGE

As the sun sets and church bells chime softly, Moira welcomes you with timeless charm. Fishing boats glide beneath a glowing sky, and vast paddy fields stretch endlessly, painting the land in shades of green.

Nestled in North Goa's Bardez region, Moira is where Portuguese and Indian heritage meet, surrounded by tropical beauty and the gentle bends of the Mapusa River.

From The Creek, gaze out at lush paddy fields and catch the river glimmering in the distance, offering a serene, ever-changing view.

Peaceful yet close to North Goa's vibrant energy, the Creek is a quiet retreat with colonial-meets-traditional architecture, soulful surroundings, and a rhythm that reflects Goa's slower, more meaningful way of life.
